Baker Tilly Woroszylska Legal in a New Office

As of the beginning of March 2019, the Warsaw office of Baker Tilly Woroszylska Legal operates at a new address. The current seat is located on the 6th floor of the Wola Center office building at Przyokopowa 33 street. Landline phone numbers have also changed.

Baker Tilly Woroszylska Legal law firm and TPA Poland consulting company, which officially joined on February 15, 2018 now also share the office in Warsaw. The law firm is located on the 6th floor, while TPA Poland's experts operate downstairs. The relocation is not only the result of the formal and structural merger of both companies, but also of the dynamic development of the law firm, entailing demand for larger office space.

Our relocation to the new office situated so close to TPA Poland is another stage of the cooperation strategy of the two companies. Recently, we have not only combined our competencies with the TPA advisory group, opened an office in Poznań, but have also introduced complete global branding of the Baker Tilly International network we are a member of. This allows us to provide our clients with a comprehensive range of services at the international level based on uniform renowned brand, says Katarzyna Woroszylska, Managing Partner at Baker Tilly Woroszylska Legal.

The Wola Center office building was designed by Kuryłowicz & Associates studio and offers its tenants modern office space, distinctive architecture and unique atmosphere in 4 conjoined buildings. A major advantage, appreciated by employees of both companies, is an excellent location, in a close vicinity to subway and numerous transport connections.

The office space shared by our experts, advisors, and lawyers, favor additional benefits resulting from the synergy of actions, increased creativity, and unique working atmosphere. I am convinced that these advantages will be quickly noticed by our clients, who already appreciated unique experience and knowledge of our combined expert teams, adds Wojciech Sztuba, Managing Partner, TPA Poland.

Baker Tilly Woroszylska Legal, previously operating as W/AIRP, has finalized its merger with TPA Poland in spring 2018. As of November 2018 it has also been present in Poznań, via an office headed by Partner Grzegorz Gajda. The law firm and the consulting company TPA Poland are the exclusive representative of Baker Tilly International network ranked in the top 10 of international consulting companies in the world.
